

H.E.R.O.C. INC. CANCER MISSION TO GUYANA

OCTOBER 2020

As a result of the COVID-19 Pandemic and travel restrictions, the Health & Education Relief Organization for Cancer, Inc. (H.E.R.O.C.) could not physically conduct their annual October mission trip to Guyana. However, through kindhearted Patrons and generous supporters residing both in the United States of America and Guyana, H.E.R.O.C. was still able to provide a valuable contribution to its Survivors and 'Thrivers' in Guyana.

In an effort to assist with the pandemic situation, the H.E.R.O.C team provided one hundred (100) Health Care gift bags based on COVID-19 protocol. The recipients were from various areas including Bartica.

Contents of the gift bags were provided by our Patrons and each recipient received a gift bag containing:

- Hand Sanitizer
- Antibacterial Soap
- Sanitizer Wipes
- Gloves
- Masks
- Hand bands
- Letter from H.E.R.O.C.

Items for the gift bag

It is with gratitude that we extend our appreciation to our Guyana Patrons: Ms. Norma Daniels, Ms. Gem Fraser, and Ms. Cheryl Noel together with volunteer Ms. Janice Persaud who assembled the gift bags on behalf of team H.E.R.O.C. at the residence of Ms. Norma Daniels.

*Patron, Ms. Gem Fraser and
Volunteer, Ms. Janice Persaud*

Patron, Ms. Gem Fraser

*One of the distribution sites
with our sister Organization,
Giving Hope Foundation in
Guyana.*

*Some of the Survivors and
'Thrivers' in attendance*
